

Amendments to the Drawings

Please consider the attached proposed replacement drawing sheet 2.

The attached sheet of drawings, comprising Figures 1b and 2, is presented as a proposed replacement sheet for drawing sheet 2 as originally filed. This sheet includes a proposed amendment to Figure 2. In Figure 2, the spelling of the word "DETECOR" has been corrected to read "DETECTOR". Support for the correction is provided by the specification at page 9, lines 4-5.

Favorable consideration of the proposed replacement drawing sheet is respectfully requested.
